

# THE SECRET COVENANT

An illusion it will be, so large, so vast it will escape their perception.

Those who will see it will be thought of as insane.

We will create separate fronts to prevent them from seeing the connection between US.

We will behave as if we are not connected to keep the illusion alive

Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

We will always stand above the relative field of their experience for we know the secrets of the absolute

We will work together always and will remain bound by blood and secrecy.

Death will come to he who speaks.

We will keep their lifespan short and their minds weak while pretending to do the opposite.

We will use our knowledge of science and technology in subtle ways so they will never see what is happening

We will use soft metals, aging accelerators and sedatives in food and water, also in the air. They will be blanketed by poisons everywhere they turn

The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison.

The poisons will be absorbed through their skin and mouths, they will destroy their minds and reproductive systems.

From all this, their children will be born dead, and we will conceal this information

The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.

We must be ingenious in dispensing the poisons for they can see far.

We will teach them that the poisons are good, with fun images and musical tones  
Those they look up to will help, we will enlist them to push our poisons.

They will see our products being used in film and will grow accustomed to them and will never know their true effect.

When they give birth we will inject poisons into the blood of their children and convince them its for their help.

We will start early on, when their minds are young, we will target their children with what children love most, sweet things. When their teeth decay we will fill them with metals that will kill their mind and steal their future.

When their ability to learn has beenaffected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

We will render them docile and weak before us by our power

They will grow depressed, slow and obese, and when they come to us for help, we will

give them more poison.

We will focus their attention toward money and material goods so they may never connect with their inner self.

We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all,

Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives. We will use fear as our weapon.

We will establish their governments and establish opposites within. We will own both sides.

We will always hide our objective but carry out our plan.

They will perform the labor for us and we shall prosper from their toil,

Our families will never mix with theirs. Our blood must be pure always, for it is the way.

We will make them kill each other when it suits us.

We will keep them separated from the oneness by dogma and religion,

We will control all aspects of their lives and tell them what to think and how.

We will guide them kindly and gently letting them think they are guiding themselves.

We will foment animosity between them through our factions

When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

We will make them rip each other's hearts apart and kill their own children. We will accomplish this by using hate as our ally, anger as our friend.

The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers. They will be busy killing each other.

They will bathe in their own blood and kill their neighbors for as long as we see fit. We will benefit greatly from this, for they will not see us, for they cannot see us. We will continue to prosper from their wars and their deaths. We shall repeat this over and over until our ultimate goal is accomplished.

We will continue to make them live in fear and anger through images and sounds. We will use all the tools we have to accomplish this.

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

But if they ever find out they are our equal, we shall perish them.

**THIS THEY MUST NEVER KNOW**

If they ever find out that together they can vanquish us, they will take action.

They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen.

Our actions will have revealed who we are

and they will hunt us down and no person shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans

This covenant is sealed by blood, our blood. We, the ones who from heaven to the beliefs we have established from time immemorial.

But if they ever find out they are our equal, we shall perish then

**THIS THEY MUST NEVER KNOW**

If they ever find out that together they can vanquish us, they will take action

They must never, ever find out what we

have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans

This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.

This covenant must NEVER, EVER be known to exist. It must NEVER, EVER be written or spoken of, for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us

and we shall be cast to the depths from whence we came and remain there until the end time of infinity itself.
