

Bundy family

The Bundy family possesses significant connections to American politics and governance, with multiple notable members affiliated with the **Skull and Bones fraternity**. Harvey Hollister Bundy, along with his sons William and McGeorge, played crucial roles in several influential organisations and initiatives associated with the Illuminati.

Their involvement spans critical undertakings such as the Manhattan Project, the CIA, national security issues, private legal matters, and the Council on Foreign Relations, which was established by the Illuminati.

Collins Family

This family is among the more enigmatic branches of the Illuminati bloodline. Their genealogy and historical background remain largely obscure, yet it is believed that they possess significant influence within the Cabal, with deep ties to New England Satanist groups. This connection suggests their

crucial role in the Cabal's Satanic rituals and practices.

Potential members of this family include astronaut Michael Collins and actress Joan Collins.

DuPont family

The DuPont family, a prominent name in American industry, can trace its ancestry to Paris in the mid-1700s. They possess extensive industrial, real estate, and commercial interests, particularly concentrated in eastern United States, especially Delaware.

Additionally, several family members are linked to Freemasonry and various organisations often

associated with the Illuminati, such as the Bilderberg Group and the Trilateral Commission.

Freeman Family

Freeman is regarded as one of the more enigmatic and obscure bloodlines associated with the Illuminati. There are theories suggesting their significant involvement with the Priory of Sion, a French fraternal group known for its enigmatic history. Additionally, many individuals from the Freeman lineage are connected to the Self Help

movement, a branch of New Age philosophy that is reportedly influenced by Satanic interests.

Kennedy Family

The Kennedy family, an American political dynasty with deep historical roots, embodies wealth, influence, and privilege. Members of this family have occupied significant

governmental roles, including John F. Kennedy, who is often associated with Illuminati

control. However, the Kennedys have also faced conflicts with this secretive organisation. Tragically, several of Joseph Kennedy's children, including Joseph Jr., John, and Robert, experienced untimely deaths under enigmatic circumstances.

While their influence may have diminished somewhat in recent years, they are still believed to wield considerable power within the Cabal.

Li Family

Li is among the most prevalent surnames in China, making it challenging to obtain accurate details regarding this specific lineage. However, it is believed that China will significantly influence the anticipated Illuminati New World Order takeover, leveraging its large population as a formidable force and capitalising on the debt it possesses from the United States.

In particular, Li Peng served as a pivotal prime minister during China's Westernisation, while other individuals with the surname Li in China and Hong Kong have amassed considerable wealth in the real estate and manufacturing sectors.

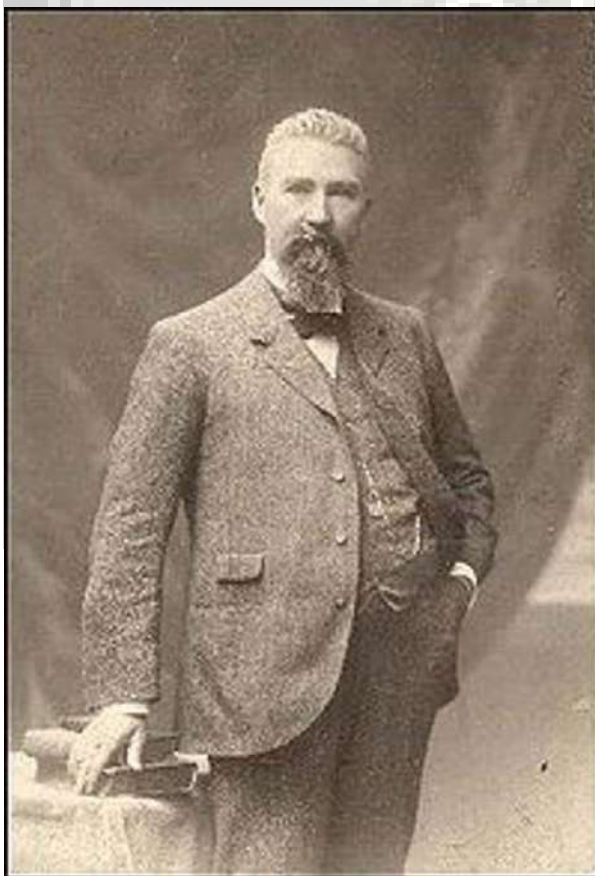

Onassis Family

The prominent figures in Greek shipping, Onassis serves as a significant European connection to the historical Illuminati rituals. The vessels owned by Onassis play a crucial role in global cargo transportation, granting the Illuminati control over the distribution and timing of goods. Senior members of the Onassis family, including relatives of Aristotle Onassis - who was also Jackie Kennedy's second husband - occupy important roles within various organisations associated with the Illuminati. Additionally, they maintain ties with other affluent families and are rumoured to have considerable influence in Satanic circles.

Reynolds Family

One of the more discreet families associated with the Illuminati, the Reynolds lineage possesses significant investments in the tobacco industry via the RJ Reynolds Company, contributing to the addiction of millions of Americans to potent substances, all while enjoying government-sanctioned operations. As a prominent family in American society, the Reynolds have several members who hold high positions within Freemasonry, extensive philanthropic ties (with funds reportedly funnelled to Illuminati-affiliated organisations), and connections to occult practices and Satanism.

Rockefeller Family

The Rockefellers, recognised as one of the most influential families globally. In addition to their extensive investments in real estate and various industries, they maintain strong political ties. The family has also contributed substantial funds to religious organisations, which some observers of the Illuminati claim serve as covert training centres for Satanic practices.

Furthermore, they played a crucial role in establishing prominent Illuminati-affiliated organisations, such as the Council on Foreign Relations.

Rothschild Family

The heirs of Mayer Amschel Rothschild founded family banking institutions in five prominent European nations, where they are believed to have accumulated vast fortunes by instigating conflicts and supplying arms to opposing factions. It is claimed that even today, politicians influenced by the Rothschild's prioritise the family's interests over those of the general populace.

Russell Family

Christian restorations minister Charles T. Russell was instrumental in establishing the "Bible Student" movement, which gave rise to various religious organisations, most notably the Jehovah's Witnesses. Observers of the Illuminati speculate that these organisations serve as veils for Satanism, directing followers to be exploited as pawns by the Illuminati.

Other individuals with the surname Russell have occupied significant roles within Skull and Bones, the Freemasons, and the U.S. Government.

Van Duyn Family

This family, one of the lesser-known Illuminati bloodlines, has ties to the establishment of New York City and is recognised as one of the significant Dutch families in early American history. Allegations suggest their connections extend to the core of the U.S. government, the affluence and influence of Western Europe, and covert mind control operations conducted under strict secrecy.

While much of this information remains unverified, it is available for those who are diligent in their research.

Elon Musk

Elon Musk is part of a significant lineage. He not only belongs to this lineage but is also positioned within its most exclusive circle, having been raised and prepared for a particular role during these critical times we are currently experiencing.

To my knowledge, two whistleblowers have already stepped forward to share insights about Elon Musk. One of them is Shalom Girl, who served as a housekeeper for the Musk family.

Now here is a video about his lineage which I have not been able to verify but it appears to be legitimate from all the investigations that have been undertaken.

Mind Control

Freemasons employ the MK Ultra Program, along with Delta and Epsilon military-based programming

Satanism and Mormonism utilise Beta Kitten programming.

****BETA PROGRAMMING ("SEX KITTEN")****

Beta programming, often linked to "sexual" programming and the concept of slaves, strips away moral beliefs and taps into primal instincts, resulting in a lack of inhibitions. This leads to the emergence of "Cat" alters, known as Kitten programming, particularly among certain female celebrities and models. In popular culture, feline-patterned clothing symbolises this programming.

DELTA is a highly effective programming technique developed for training special agents and elite military personnel, including Delta Force and Mossad, for covert operations. It focuses on optimal adrenal response and controlled aggression, resulting in individuals who are fearless and methodical in their missions. Self-destruct or suicide directives are also included in this training.

THETA PROGRAMMING

THETA, often called "psychic" programming, is associated with individuals from multi-generational Satanic families, or Bloodliners, who are thought to have enhanced telepathic abilities. To overcome its limitations, various electronic mind control systems have been developed, including brain implants and directed-energy lasers using microwaves or electromagnetic waves. These technologies are reportedly used in conjunction with advanced computing and satellite tracking networks.

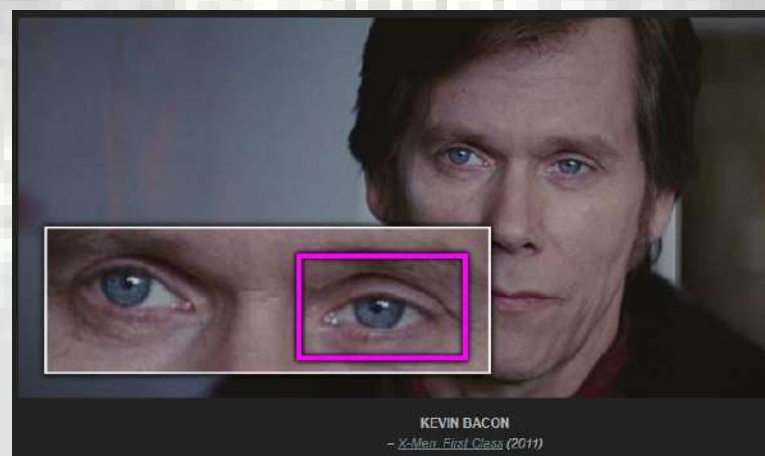

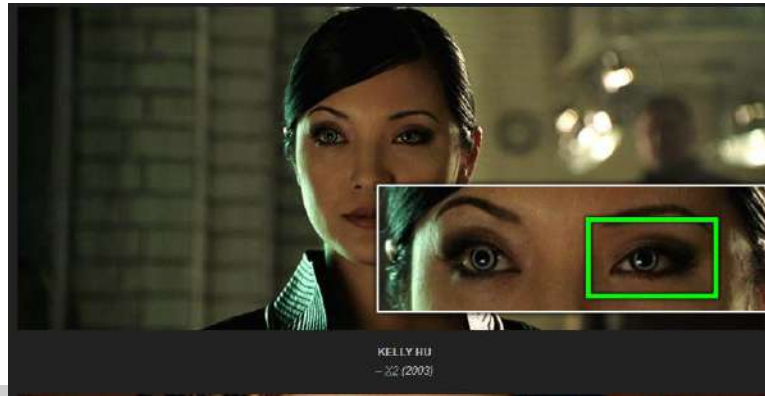

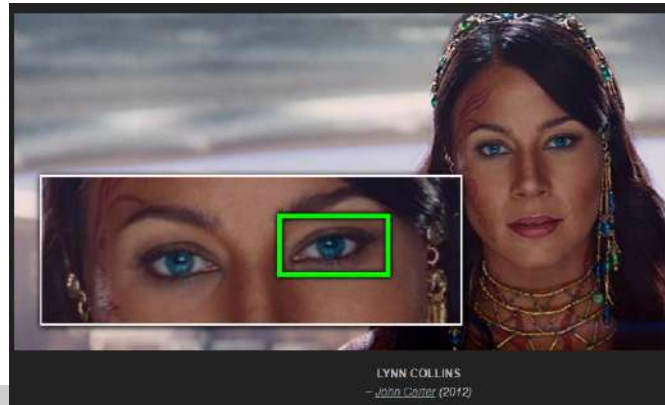

A common physical side effect of electroshock torture is droopiness in one eyelid, seen in many Hollywood celebrities who have undergone this trauma, regardless of gender. While some may show no signs, it is often more pronounced in older victims due to reduced skin elasticity. Monarch Slaves typically have their programming updated as they age or when it fails, as evidenced by Britney Spears' 2007 breakdown. The repeated electroshock sessions intended to create new alters likely contribute to this eyelid condition.

When a slave is taken to an impromptu programming site - a hypnotic drug is injected into them for a quick induction while a metal band is put around their head and a current of 100,000 volts will be run through for say 5 seconds into their heads. This will cause the body to shake, the eyes to close, sweat to pour out of the body etc. The hands are tied down with restraints. Sometimes the mouth is gagged so that the tongue doesn't protrude. After imbedding the hypnotic commands deep into the mind, the programmers might adjust the automatic timer on the equipment and give the victim another blast of voltage for 10 seconds. The person's body will shake and quiver for a while after this. They may dribble spit. Finally, the person will be brought out of their hypnotic trance, instructed not to remember anything, to feel happy and sent on their way."

– Excerpt from, *The Illuminati Formula Used to Create an Undetectable Total Mind Controlled Slave*
by Cisco Wheeler and Fritz Springmeier

Maintaining impartiality when discussing the horrors faced by Monarch slaves is difficult. The extreme violence and cruelty reveal a troubling "dark side" of authority. Despite evidence and whistle-blower testimonies, many choose to ignore this issue. Since 1947, over two million Americans have experienced trauma-based mind control, with the CIA acknowledging its programs in 1970. Films like *The Manchurian Candidate* depict methods such as electroshock therapy and microchip implantation. Public figures like Candy Jones and Sirhan Sirhan have shared their experiences, yet many still deny the reality of mind control.

Research and funding for Project Monarch extend beyond individual victims; the programming techniques developed are also used in mass media. Mainstream news, films, and advertisements utilise sophisticated data on human behaviour derived from Monarch Programming.

Testimony

Cathy O'Brien is a survivor of Project Monarch, a covert mind control program. She shares her experiences to raise awareness about real-world mind control initiatives. Conditioned as a "Presidential Model" subject, she co-authored "TRANSCFORMATION of America," detailing her harrowing journey. Listening to her accounts helps illuminate the disturbing

realities of Project Monarch in Hollywood and beyond.

Illuminati Insider Whistleblower

Dan Duval interviews Jane for the first time on the subject of the structure of the Illuminati. Jane claims that she was chosen and trained to take over for her grandmother as a Mother of Darkness in the Illuminati. Through the redeeming power of Jesus Christ, she was delivered from this role before she was able to be instated into it. However, she took away with her unique knowledge regarding the structure of the Illuminati, knowledge that she wants the world to know. Get ready to

www.jaoc.org.uk

take notes and learn, as this brave woman puts forth secret information about the structure of the world's most powerful evil organisation.

The interview starts at approximately 7 mins 30s

Video [here](#)

Mothers of Darkness

They determine the status of individuals within the bloodline as either hierarchy members or expendables based on their spiritual gifts. Expendables are deemed lacking in the necessary abilities to connect with various demonic entities to meet the organisation's requirements. Those identified as possessing valuable gifts for the hierarchy are enrolled in the Monarch Mind Control Programme.

Among the Mothers of Darkness, there are 3 levels:

- The Crone
- The Mother
- The Maid

Protectors and Assassins

Protectors serve as the security detail for each Mother, with a head protector overseeing the training of the team. The structure:

- 5 Adult protectors dedicated to safeguarding the Mothers of Darkness.
- 5 Junior protectors, aged 12-18, who remain unassigned and are kept in reserve.
- 5 Child protectors assigned specifically to learn the role and be ready to move into the position at the age of 12.

These protectors engage in competition among themselves for dominance, utilising both physical and astral methods.

Grand High Priestesses

Also known as the Mothers, they supervise the Quadrants within their jurisdiction. Intense competition for open positions unfolds beneath the Mothers of Darkness Castle in Belgium. This conflict takes place in both the physical and astral dimensions,

utilising physical weapons, spells, and the summoning of demons. Contestants compete for dominance over one another's power and their associated demons.

High Priests and Priestesses

The eight highest-ranking members within the high priestess class are eligible to contend for the Grand High Priestess title.

Brides of Satan

The Brides serve to ensure Satan's satisfaction and fulfil his desires, often referred to as his "candy wife." They possess the ability to entice individuals into the system if they seek companionship. While they are visually appealing and embody his image, their responsibilities are limited. Occasionally, they engage in battles, but these contests are predetermined, ensuring their victory.

Sisters of Light

There are 13 Sisters for each quadrant, both in the United States and internationally. This elite security team functions as spiritual guardians, addressing issues such as demonic possession and spiritual warfare, which can manifest as illness or financial difficulties. They differ from Protectors and Assassins, who operate on both spiritual and physical levels.

Druidic Council / Satanic Council

This entity functions similarly to a board of directors within a satanic framework, typically composed of men responsible for financial and organisational decisions within their designated regions. Their roles are referred to as Seats, organised into Quadrants. A notable facade for their activities is the Bilderberg conference.

Members hold influential positions in various sectors, including business, banking, and politics, often occupying roles within the United Nations or European Councils, and managing companies with assets in the trillions. Each quadrant is represented by prominent bloodline families.

The Council members are recognised as Lords of their territories, with each individual overseeing a specific area within their quadrant.

Department Branches

Each territory is governed by five Department Branches that operate under the satanic council:

- Masons
- Catholics
- Cabal
- Satanists
- Mormons

Each department maintains its own hierarchical structure, such as:

- Masons – Priory of Sion, Templars, Grand High Lodge Leaders, and their respective subordinates
- Catholics – Pope, Cardinals, and their respective subordinates
- Cabal – A sect rooted in Jewish mysticism, also known as Kabbalah, which has evolved by integrating New Age philosophies and satanic practices
- Satanists
- Mormons – Heads, Bishops, and their respective subordinates

The Bloodline families, often referred to as the satanic Illuminati families, function similarly to board members. They oversee the departments within their territories, facilitate communication, and ensure that operations such as drug trafficking and child trafficking programs are effectively managed.

Mother Of Darkness

Gloria Vanderbilt gained recognition as an author, actress, fashion designer, heiress, and socialite, and later became known as the mother of Anderson Cooper, the CNN anchor.

Several aspects of Gloria Vanderbilt's life are particularly noteworthy:

1. Her mother, at the age of 19, married Reginald Vanderbilt, who was 42 years old.
2. Her father, Reginald Claypoole Vanderbilt, passed away at the age of 45 on September 4, 1925, with cirrhosis attributed to alcoholism as the cause of death.
3. Gloria's mother had an identical twin sister, Thelma, who was once the mistress of the Prince of Wales, who would later become King Edward VIII and subsequently abdicate the throne.
4. Gloria Vanderbilt's mother was deemed an unfit parent, with allegations including a maid's claim of a lesbian affair with Nadezhda de Torby, a member of the British royal family and the Marchioness of Milford Haven. A comprehensive narrative of this situation can be found in the article titled "When 'Poor Little Rich Girl' Gloria Vanderbilt Mesmerized The Nation."

5. Custody of Gloria was awarded to Gertrude Vanderbilt Whitney, and she was raised by her paternal aunt. Such circumstances are often seen in prominent families, although it is uncommon for a court case to arise from them.

Gloria

- Baptised into the Episcopal Church as an infant but raised Roman Catholic.
- At 18 months, she and her half-sister became co-heiresses to a \$5 million trust fund (about \$73 million in 2019).
- She had two sons with her third husband, Leopold Stokowski, before their divorce in October 1952
- Leopold Stanislaus "Stan" (born 1950) and Christopher (born 1952).
- She also had two more sons: Carter Vanderbilt Cooper (1965–1988), who died by suicide at 23, and CNN anchor Anderson Hays Cooper (born 1967).

Gloria passed away from stomach cancer at her Manhattan home on June 17, 2019, at 95 and is buried with her son Carter and last husband, Wyatt, in the Cooper plot at Vanderbilt Cemetery, Staten Island.

Mainstream corporate media often overlook, despite the available evidence, the significant role that Gloria Vanderbilt played within the satanic cult known as the Illuminati. In fact, she held the position of Grand High Priestess for the East Quadrant of the United States.

The sanitized historical account of the Vanderbilts can be found on Wikipedia under the entry for the Vanderbilt Family.

They are, in fact, a prominent Illuminati family, with established connections to other notable Illuminati families, as noted by Fritz Springmeier in his work, Bloodlines of the Illuminati. ([See here archive](#))

The influence of the Illuminati cannot be dismissed as trivial; their beliefs hold significant weight due to their control over major sectors such as Hollywood, the music industry, corporations, and the media. They also have a presence in Organisations like the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), NATO, and various governments worldwide. Therefore, it is essential to pay attention to their ideologies.

The Illuminati draws from a wide array of occult and magical traditions. The term "satanic" is used here as an umbrella term encompassing various groups, including Luciferians, Hivites, Satanists, Kabbalists, Freemasons, and practitioners of mysticism. Their actions often reflect a misuse of their abilities and powers, leading to malevolent deeds and a focus on self-serving agendas.

It is imperative that we pay closer attention to the Illuminati, as they are believed to be the orchestrators behind global networks involving child sexual abuse, child trafficking, warfare, arms and drug trafficking, as well as organ trafficking, and heinous acts such as the sacrifice of foetuses, infants, and children, along with blood draining and cannibalism.

Additionally, the name Vanderbilt has also emerged in connection with the Pizzagate controversy.

The Pizzagate controversy can be found here in this [video](#)

Jessie Czebotar, raised and groomed to assume the role of the Queen Mother of Darkness, witnessed a particular ritual at the Vanderbilt blood draining pool her testimony is in the earlier video.

Attendance fluctuates. Typically, the gathering includes the grand high priest and priestess, several high priests and priestesses, along with numerous witches or warlocks affiliated with local covens. The number of attendees can range from 30 to 200.

Those present often lead double lives, and they include government officials, law enforcement personnel, lawyers, doctors, Catholic priests, the pope, bishops, teachers, and other community members - individuals we recognise and engage with on a daily basis.

Hierarchy children go through three rituals.

- The first is called Moonchild ritual, done in the womb. Trauma is caused by loud noise or injury to mothers' stomach, or induces early labour. They believe the trauma forms the first demonic link or connection to child.
- The second is at age five, this is where child is initiated into family name. If child has more than one bloodline, the families decide who will invest and train the child, this family sponsors the child and the child is connected to that family line ancestral demons.
- The ceremony at age 12 is the Third Rite. Twelve is an important age, considered adulthood or rite of passage age. It usually entails child getting raped by head of the family line while hung upside down in ropes. Blood of other children who are gutted are poured over them.

Red Shoes

It is human skin and the red shoe wearers are connected to those who are Jesuit cabal 9th circle members.

Pope in red shoes and a Maltese cross

- Esoteric refers to knowledge that is specialised or concealed, intended for comprehension by a select few.
- Philosophy encompasses the underlying beliefs, while symbols serve as the visual representation of those beliefs.
- In the context of Illuminati beliefs, the colour red holds multiple significances:-

1. The sun or sun god Ra, also known as Re, leads to the interpretation of Re-De (in Latin)
2. Ra RE-Surrection and De-Descent, reflecting the philosophy of "As above, so below." The concept extends to their esoteric philosophies regarding existence on Earth and the afterlife. They assert that an individual's "life energy" resides in the blood, which is why red is a prominent colour.

During rituals, the red shoes are worn, often accompanied by a red door that symbolises the passage of the soul to Ra or Lucifer. This red door is perceived as a gateway to life. Consequently, hidden imagery, such as the Masonic symbol featuring a red background beneath the letter G, signifies the entrance to knowledge.

Two main philosophies arise from this concept.

Firstly, from a spiritual perspective, taking a victim's life allows one to acquire their essence, becoming the custodian of their soul and guiding it on its journey to the realm of Ra, thus facilitating a cycle of death and rebirth.

Secondly, in the physical realm, the Bible states, "I the Lord will give you every place the sole of your feet shall tread," indicating God's promise to Israel. By claiming a soul spiritually, one asserts dominion over spiritual ground, while physically embodying the soul grants rights to tangible land, signifying ownership over both personal possessions and those of the claimed soul.

Additionally, these individuals incinerate their victims' bones beneath Catholic Churches during rituals, transforming them into diamonds, as seen in the rings worn by the Pope, Cardinals, and bishops.

Global Structure

Each quadrant is represented by bloodline families at the Council, such as the heads of the Van Duyn and Rothschild families.

The Council members, known as Lords, govern specific territories within their respective quadrants.

- West: Managed by the Blue Dragons (Rothschild, Rockefeller, Ford)
- South: Controlled by the Red or Black Dragons (Duponts)
- East: Overseen by the Gold Dragons (Van Duyns)
- North: Directed by the White or Green Dragons (Lee, Collins, Freemans)

This structure is applicable both in the United States and internationally, although different family members may be involved. For instance, while Elon Musk's father had international ties, Elon himself is associated only with the US West quadrant. Similarly, Jacob Rothschild operates on an international level, while his son is limited to the US.

The Satanic Council receives directives from the Mothers of Darkness, which are then communicated to the Grand High Priests (GHP) and Priestesses (GHPess). These

instructions filter down to the High Priests (HP) and Priestesses (HPess) within their respective quadrants, overseeing various illicit operations, including drug trafficking and child exploitation.

Additionally, there are regional meetings consisting of smaller councils that convene to manage the quadrants. The frequency of these meetings is uncertain, but the Mothers are required to attend at least once a year, often participating more frequently and rotating their attendance when possible.

Grand High Priests and Priestesses

Currently, there are 16 Grand High Priests and 16 Grand High Priestesses in the United States, with only one from each quadrant being part of the control structure, totalling four in the U.S. and four internationally.

Notable Grand High Priestesses in the U.S. include Beyoncé, Joan Collins, and Laurie Cabot-Kent.

Beyoncé succeeded Gloria Vanderbilt as the Grand High Priestess for the Eastern Quadrant of the U.S. following a competitive witches' contest. Her connection to symbolism can be observed in her performances related to The Lion King, particularly during the premiere. Laurie Cabot-Kent owns the Chateau des Amerois, also known as the Mother of Darkness Castle in Belgium, with rumoured ties to the Duke of Kent. Joan Collins, an actress, is part of the Collins bloodline.

The hierarchy is structured as follows:

1. Five Mothers of Darkness
2. Satanic Council
3. Four Quadrant Chain of Command, comprising Grand High Priests and four High Priestesses in the United States, along with their international counterparts
4. Five Departments: Masons, Mormons, Catholics, Satanists, and Cabal.

The Council of 9 and 13

They operate within a hierarchical structure of the broader Satanic Council, which includes thousands of global members. The Council of 9 is the highest tier, with the Council of 13 below it, and members of the Council of 9 also serve on the Council of 13.

Each international quadrant has its own Council of 9, totalling 36 members. Not all members need to attend meetings simultaneously; attendance rotates based on quadrant decisions. A quadrant can appoint a single representative or rotate several members, allowing some to serve for life. This practice also applies to the Council of 13 and the Chinese Elders, whose positions are often passed down through generations.

Grand Dames typically operate under the authority of a Grand High Priestess. While they are not usually designated as High Priestesses themselves, they may hold that title on occasion. Their primary role involves supervising high-level women who are conditioned to serve as Beta Kitty Slaves, often beginning this process at a young age.

In terms of hierarchy, Grand Dames are comparable to Goddesses or Ladies who manage witches' covens. They function as departmental managers within one of the companies owned by the System.

Druids are under High Priests & Priestesses. If the High Priests can be seen as the Lords of a Land, the Druids are seen as the Keepers of the Land, or managers of the farmer who care for the land. They work for the HP to oversee all the warlocks & witches in the company. Dependent upon their level, they may be loners, practising their religion on their own or most are connected to a group.

The history of Child Sacrifices

The concept of ritual abuse and the murder of children by government officials may seem absurd to many. Thus, I will provide a concise overview of the historical context surrounding this disturbing practice, which has existed throughout history across various cultures worldwide.

The image presented is an etching entitled "The Sacrifice of the King's Firstborn." It depicts the act of a Native American government in Florida sacrificing a child before European pioneers, as illustrated in "America" from 1599 by Theodore De Bry.

Throughout history, various cultures have engaged in the tragic practice of child sacrifice, believing it to be an offering to a deity often referred to as Bäl, Moloch, or Molek. This figure is typically represented as a man with the head of a bull and was venerated by groups such as the Canaanites, Phoenicians, and Babylonians. Disturbingly, the ritual of sacrificing children to this malevolent entity persists in some forms even in contemporary society.

Child sacrifice was also a common practice in Africa. The drawing below shows how colonists witnessed these atrocities.

Ronald Bernard, a former high-ranking finance executive, was once offered limitless wealth on the condition that he suppresses his conscience entirely. This led him to discover horrific practices, including the ritualistic abuse and murder of children, prevalent among the elite as a means to gain power and riches. Disturbed, Bernard chose to leave this depraved world. I encourage you to hear his story.

[Video](#)

Ronald Bernard's testimony reveals that Satanism, or Luciferianism, acts as a gateway to immense wealth and influence, with elite opportunities available only to its practitioners. This is exemplified by the Rothschild family, who own central banks in 165 countries, giving them control over the global monetary system. The accompanying image depicts the power dynamics between the Rothschilds and the British royal family.

Anne Marie van Blijenburgh recounts her experiences of witnessing the ritual abuse and murder of children on three occasions, implicating members of the Dutch royal family, high-ranking politicians, the judiciary, and other prominent figures.

Toos Nijenhuis experienced a childhood filled with visits to various castles and palaces across Holland, Wales, Scotland, France, Germany, and even as far as Saudi Arabia and Australia. Among the foreign castles she recalls are Caernarfon Castle, located near Fort William in Scotland, and Castle Hohenschwangau in Bavaria. Additionally, she references the names of participants who are part of the upper echelons of society.

She names Prince Bernard (Beatrix's father), Cardinal Alfrink, Lord Mountbatten, and the Pope (Paul IV or St. John Paul II).

Prince Bernard

Cardinal Alfrink

Lord Mountbatten

Toos indicates that numerous castles and palaces contain designated torture chambers and areas where children are held captive. She asserts that each room was equipped with a camera, suggesting that her account could be substantiated by video footage, should it be discovered and someone is prepared to investigate this evidence.

Toos Nijenhuis was abused and tortured throughout her childhood by members of the Dutch royal family and other high-ranking figures, including leaders within the Roman Catholic and Jewish Orthodox Churches.

[Video](#)

Richard Kerr, from the UK, reveals his harrowing experiences of systematic abuse by influential figures in British politics. As a teenager, he was treated as a 'toy-boy' and passed around among the elite. He identifies Dolphin Square, linked to military police and the British Secret Service, as one of the sites of his abuse. After three decades, he returned to these locations with his therapist to confront his traumatic past.

[Video](#)

Jessica Collins is an American woman who endured 17 years of abuse, consistent with the accounts provided by previous witnesses. She references Jeffrey Epstein, known for his connections with Bill Gates and numerous prominent figures, including celebrities, business leaders, politicians, media figures, and film producers in the United States. Additionally, Jessica recounts her abduction, drugging, and abuse at the hands of British Prince Andrew Windsor, who also held a position as a military commander.

[Video](#)

A victim of organised abuse by the affluent elite, who goes by the pseudonym Rose, recounted an incident during one of the rituals where her father was in attendance, seemingly under the influence of drugs, adorned with a deer antler on his head. This scenario closely resembles what has been reported regarding the Rothschilds.

The involvement of the wealthiest family globally in Satanism is widely known. Baroness Philippine W.P. de Rothschild was often seen wearing a necklace featuring the head of a devil, goat, or ram, which are commonly associated with Satanic symbolism.

Abramovic is an artist who enjoys significant recognition among influential figures globally. She hosts exclusive gatherings for politicians, business leaders, and Hollywood celebrities, referred to as 'Spirit Cooking.' Presented below are images from one of these prestigious events.

While Abramovic refutes any association with Satanism, her artistic expressions are telling: she has posed with a severed goat's head and has painted a pentagram on a woman's abdomen. These elements are unmistakable symbols linked to Satanic practices.

A well-known statue used worldwide within satanic cults is shown below: a human body with goat legs and the head of a goat.

Next to the devil figure are... two children. The abuse and sacrifice of children to the powers of darkness is the central element in Satanism. This is also reflected in Abramovic's art. On the left, you see an image of a bound child, drenched in blood.

Hand Signals

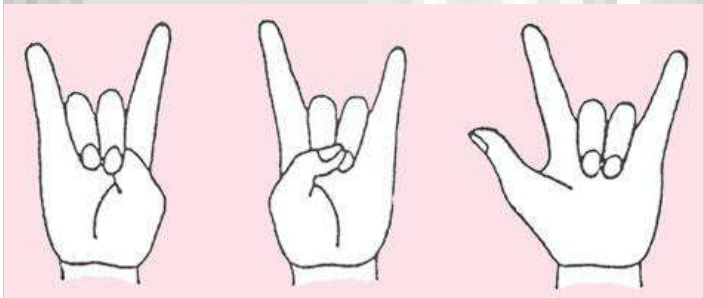

www.jaoc.org.uk

Devils Horns

If thumb is behind two fingers, it is the Pan sign signifying child sex ritual. Pan or the Piper is often used as a symbol of luring children into the woods never to be seen again. This symbol often used for the ritual hunts, victims raped and killed.

The "El Diablo" hand sign often is confused with the deaf's signing of the phrase, "I love you." While at first this appears an odd resemblance, we register an "ahh, I get it!" emotion when we discover that the person who invented, or created, the hand sign system for the deaf, Helen Keller, was herself an occultist and Theosophist. Did Keller purposely design the deaf's "I love you" sign to be such a remarkable imitation of the classic sign of Satan? Was Keller saying, basically, "I love you, Devil?"

Then, we have the confusion of the El Diablo hand sign with the University of Texas "hook 'em horns" sign. Texas' mascot is the longhorn cow and it is only natural that the horns sign be employed by the student body, alumni, and fans of that great institution.

This one is the signifier for cryptic masonic rituals which may include higher esoteric levels like Golden Dawn, Skull and Bones and Rosicrucian.

One Eye Illuminati Sign /666

This is where the implications become more profound. What I once perceived merely as a symbol for 666 is, in fact, much more intricate, significant, and unsettling.

It is important to differentiate this from the OK sign, the circle game, or symbols associated with white supremacy. Context and discernment are essential for proper interpretation.

To interpret the sign, pay close attention to the specific positioning of the hand and fingers. The signalling conventions seem to follow these guidelines:

Straight fingers typically represent the Illuminati's North quadrant in the United States. The North is indicated by the hand being positioned above the head or resting on top of it, or in the 666 hand sign where the hand primarily touches the forehead.

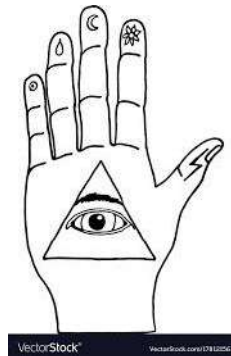

Slightly bent fingers or a hand/wrist that appears to be tilted backward signifies a message intended for that specific quadrant.

A hand placed on the side of the face denotes either the west or east direction; left, as we view the image, represents west, while right signifies east.

When both hands are used, one raised and the other lowered, it indicates the South quadrant. The South can also be represented by one hand in the Illuminati sign, with the fingers pointing downward.

The use of both hands, one raised and one lowered, suggests that all quadrants are summoned to partake in the ritual.

Each finger position carries its own specific meaning.

The fingers also signals which category or elemental magic they want (fire, water, wind, earth)

- Fire is little finger or pinkie
- Water fourth finger (counting from thumb as one)
- Air, Wind or moon third/middle finger
- Earth is index finger
- Lightning bolt is those who are destroyers or those who bear wrath.

This below is what is meant by slightly bent or backwards, and notice tilt of wrist into back position.

Fingers back...this would indicate only that quadrant, so for above pics, only east quadrant.

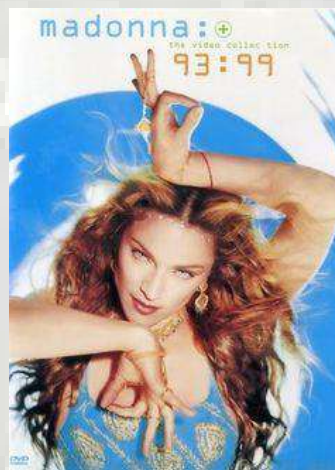

Fingers back, so this would indicate only that quadrant, so for above pic, only West quadrant

This one above, Emma Watson, means rituals in North and West quad (fingers straight up, right eye)

Top row second pic from left, vs bottom row second pic. Top row means East quad only, while bottom because the fingers are straight means North and East quads.

Here Madonna shows two hands, one higher and other lower. This means South quadrant. Fingers pointing up so means North quad included. Bottom hand pointing down it means only the north and south quads. Note also the number symbolism.

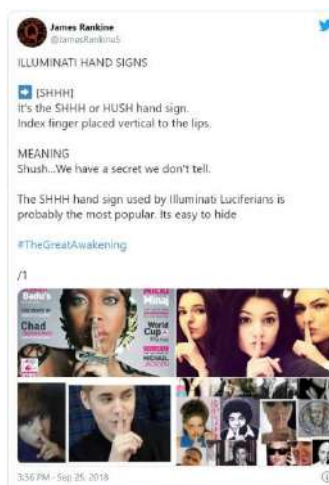

Bottom hand the fingers are up it means all quads having a meeting.

Depp's fingers are bent and on the right side from picture view means only the East quadrant is having rituals. Being a vampire, it also means vampire rituals.

Di Caprio's fingers are straight(ish) which means the North, and hand over left eye as we view it, so North and West quadrants will have rituals.

However Di Caprio is using his middle finger to make the circle. Di Caprio's two fingers touching face is a call sign to do away with the male escorts. So whoever is doing the trafficking just got an execution order, they will use sex slaves in north and west and get rid of the handlers and slaves when done.

In conclusion, embarking on this investigative journey into the shadowy realms of Satanism and the Illuminati has been both a profound and perilous endeavour. The months of rigorous research, unearthing unsettling truths, and meeting survivors who bravely recounted their harrowing experiences, have solidified the urgency and importance of our mission. As a journalist, the paramount objective was to ensure that the world sees the facts for what they are—undeniable and alarming. The personal risks taken along the way were formidable, yet they pale in comparison to the duty of shedding light on these clandestine subjects. It is imperative that this message, grounded in fact and meticulously verified, reaches the masses to inform, educate, and safeguard society against hidden dangers. My hope is that this work not only raises awareness but also fosters understanding and prompts necessary conversations about these covert and often misunderstood phenomena.
