**BOHEMIAN GROVE
EXPOSED**

www.jaoc.org.uk

INTRODUCTION

Bohemian Grove is a meeting place for influential individuals worldwide, where they have been covertly recorded for potential blackmail purposes. It is crucial to acknowledge that, like any modern criminal organization, there are both public and clandestine facets to this institution. While I do not allege that every person who has visited Bohemian Grove is engaged in heinous activities, it is evident that they are all complicit in the exploitation of children with a sinister satanic agenda.

For a more structured presentation of the information, I have organized the following content in an outline format rather than a chronological one.

Within the document, you will encounter appendices containing pertinent files that can be quite distressing to read. All references contribute to the most comprehensive report ever compiled on Bohemian Grove. I have refrained from embellishing the report with creative writing, focusing solely on facts that substantiate the undeniable evidence of a satanic culture utilizing children of both genders.

Upon compiling the report with evidence gathered from various sources worldwide, I am more resolute than ever in disseminating this message to the public. This issue is so deeply ingrained in our society that we may never break free from its grip unless we take a stand, seek justice, and hold those in power accountable.

I urge you to delve into the history and individuals involved to grasp the magnitude of what has been uncovered and verified.

Please be aware that some of the material discussed may be distressing, particularly if you have experienced sexual assault.

II. DESCRIPTIONS OF TERMS AND PHRASES ASSOCIATED WITH BOHEMIAN GROVE

II A. BOHEMIA/BOHEMIAN

The term "Bohemian" has come to signify being "free of inhibitions, enlightened, or anti-establishment," and is often associated with the Arts. According to [Appendix 1](#), Then listed the applicable text in their articles of organization.

Article 1 – This organization shall be known as the Bohemian Club. It is instituted for the association of gentlemen connected professionally with literature, art, music, the drama, and also those who, by reason of their love or appreciation of these objects, may be deemed eligible.

(Bohemian Club Constitution and By-Laws 1887 CA State Library)

II B. MOLOCH

“**Moloch** is the biblical name of a Canaanite god associated with child sacrifice, through fire or war.”

There is some debate over whether the Grovers called this monument the “Owl of Bohemia” or “Moloch”.

[Appendix 1](#) showed that the Owl was poured into concrete in 1929. The lake it sits in front of was also manmade in the 1920s.

Page 33: The Lake, as it is called on the Grove map, is about 100 feet wide and 400 feet long. The Lake was originally built in the mid-1920s, and relined with earth and concrete in 1981 (Hood and Baxter 1987). The Lake could be a Disney creation as it has an artificial waterfall tumbling into it, and water lilies kept in natural-looking patterns by water jets embedded in the lake bottom.

Page 44: A forty-foot concrete owl stands at the head of the lake in the Grove. This owl shrine was built in 1929 to serve as a ceremonial site for traditional Bohemian rituals and is used yearly for the Cremation of Care Ceremony.

II C. "WEAVING SPIDERS COME NOT HERE

The club's mascot owl, which is constructed in masonry and positioned on the main entrance at 624 Taylor. Notably, the letters "B" and "C" are prominently placed on either side of the owl, which appears to be a reference to the time period known as "Before Christ."

"Weaving spiders, come not here," was initially introduced in 1875 through a Club announcement. business during Club events.

II D. JOHN OF NEPOMUK- PATRON SAINT OF BOHEMIAN GROVE

The images above depict a statue and plaque situated on the Vltava River, marking the location where John of Nepomuk met his demise.

Appendix 1:

(Pages 50-51): The Club's patron saint, John of Nepomuk, was officially embraced in 1882. Legend has it that St. John was put to death by a Bohemian monarch in the late 14th century for refusing to reveal the confessional secrets of the queen. A significant wooden sculpture of St. John, dressed in clerical attire with his finger placed over his lips, stands at the lake's edge in the Grove. The selection of St. John as the Club's patron in 1882 was intended as a reminder to respect the privacy of others, but it has since evolved into a collective symbol of Bohemia's privacy.

III. GROUNDS AND ACTIVITIES

III A. LOCATION, DESCRIPTION, AND HISTORY OF BOHEMIAN GROVE:

160 acre property surrounded by clear cut lands that the Bohemian Club arranged to purchase in 1899. The Club made twenty-eight purchases of land over a 67 year period and now owns 2,712 acres.

Appendix 2

Masters of the Universe Go to Camp:

Every summer for more than a century, the all-male Bohemian Club of San Francisco has led a retreat into a redwood forest 70 miles north of the city, four and a quarter square miles of rugged, majestic terrain that members consider sacred. The religion they consecrate is right-wing, laissez-faire and quintessentially western, with some Druid tree worship thrown in for fun.

III B. SUBDIVISION OF BOHEMIAN GROVE INTO "CAMPS"

Appendix 1

The development of permanent camp buildings lead to the consolidation of camps. In 1929 there were 169 camps in the Grove and by 1994 there were 124. Camps can be born and die with their members, or merge into other camps. Between the years 1972 and 1986 eleven smaller camps. 'I have provided an example of one such camp - Camp Mandalay.

CAMP MANDALAY

The above pictures are from Camp Mandalay July 2001. Henry Kissinger and George Schultz are in the photo.

Laton McCartney in *Friends in High Places, The Bechtel Story: The Most Secret Corporation and how it Engineered the World*, has a section on Steve Bechtel's visit Camp Mandalay at Bohemian Grove in 1982, and noted that George Schultz was "former Bechtel Group president."

Yeadon and Hawkins note in *The Nazi Hydra in America* that: "Both Bechtel and Halliburton are closely linked to the Republican Party and the Bush family. Both companies have been awarded huge contracts in Iraq by George W. Bush." (Page 588).

III C. THE JINKS

Appendix 1

Page 15: The Spring Jinks is a yearly event that takes place over four days in June. It serves as a prelude to the summer encampment in July. The main distinction is that Club members are allowed to invite guests from California for the Spring Jinks, but for the summer encampment, they need special approval from the Grove Committee to invite California guests.

Page 21: Club activities encompassed poetry recitations, performances by musicians, lectures, and frequent plays. These regular entertainments came to be known as "Jinks," named after a Scottish drinking game (Van der Zee 1974 p.19). Alcohol consumption played a significant role in Club events.

Page 59: The Low Jinks, which takes place on the second Saturday, has become a tradition of uproarious comedy aimed at creating laughter. The 1993 Low Jinks was titled "Sherwood Estates" and was described in the event program as a recently discovered episode of Robin Hood and His Merry Men.

Page 60: The annual Grove play takes place on the last Friday night of the encampment. These plays, previously known as the Midsummer High Jinks before 1912, are written exclusively for this one-time presentation each year. Grove plays are extravagant theatrical productions that require tens of thousands of dollars to produce and can involve up to two hundred actors.

III D. THE CREMATION OF CARE

Porter Garnett, in *The Bohemian Jinks: A Treatise, 1908* wrote:

Page 191: With the midsummer jinks of 1881, James F. Bowman, Sire, the ceremony of the Cremation of Care was conducted for the first time.

Page 27: Begins here the Cremation of Care. From among the trees behind which the Corpse of Care has been carried the lugubrious strains of Chopin's Marche Funubre can be heard.

TEMPLE BAR

Appendix 1

Pages 44-45: 1910 marked the first ceremonial burial of the cares of the world during the midsummer encampment and by 1913 Care was being cremated during the first weekend of the Grove (Annals, 1972) The Cremation of Care Ceremony was produced as a play in 1920, wherein a High Priest standing before a huge pre-historic alter, is confronted by Dull Care wrapped in the chains but not dead because Bacchus, the only warrior Care fears, is truly dead (18th Amendment was passed in 1919). Good Fellowship arrives, but lacks the sword necessary to kill Dull Care, and can only imprison him and Care still sings out through the prison window. At last Bohemia's Spirit emerges and proclaims:

'Call Bacchus from the grave... long as he is dead. I sneer at Great Bohemia! Aha! Aha!' Good Fellowship then takes the torch from the priest at the alter and burns Care in his prison, thereby purging the 'demon Care from the sacred Grove.' (Thompson Archives, 1920)

Although the ceremony has undergone revisions over the years, the core theme remains consistent. The introduction of the owl statue in 1920 allowed for the incorporation of the owl's voice into the ritual.

It is widely believed that the early human sacrifice rituals at Bohemian Grove involved actual individuals.

In 2000, Alex Jones gained notoriety for filming the Cremation of Care Ceremony

My perspective is that the strategy to compromise high-ranking government officials and VIPs is by focusing on them early in their careers, instead of waiting for them to solidify their positions. The goal is to influence and compromise them in the initial stages, and then strategically elevate them to more senior roles in the future. For example, in the mid-1960s, Gerald Ford sexually assaulted Cathy O'Brien at the Michigan State Capital. Later on, when Vice President Spiro Agnew stepped down in 1973, Nixon, who had also assaulted Fiona Barnett, chose Gerald Ford as his replacement.

IV. ATTENDEES AT BOHEMIAN GROVE

IV A. UNITED STATES PRESIDENTS

IV A 1. WILLIAM TAFT

William Taft was the 27th President from 1909-1913. He's listed on OBSCURANTIST as a member of Bohemian Grove. The webpage says

Taft is also:

Son of the co-founder of the Yale Skull & Bones Society, himself Skull & Bones 1878, Cincinnati Law School 1880, member Ohio Superior Court 1890-1892, solicitor general of the United States 1892-1900, Governor of the Philippines 1901-1904, Secretary of War 1904-1908, President of the United States 1909-1913, Chief Justice of the United States Supreme Court 1921-1930, member of the Pilgrims Society.

IV A 2. HERBERT HOOVER

Herbert Hoover was the 31st President from 1929-1933.

Appendix 2

"In 1953, when he was vice president, Nixon led a ceremony honouring Herbert Hoover's 40th year as a Bohemian. It took place at the Waldorf-Astoria, in a room piled with redwood bark and branches shipped to Manhattan from the Grove."

There is some correspondence between Allen Dulles and Herbert Hoover in July 1954, over what appears to be a recommendation of Hoover for Allen

Dulles, then Director of Central Intelligence, to hire General Matt Clark. Hoover's stationery shows an address at Bohemian Grove. [Appendix 1](#) wrote: "The Greatest Men's Party on Earth, a title borrowed from a description of the Bohemian Grove attributed to Herbert Hoover, was a popular book by writer John Van der Zee, published after his working one summer as a waitperson at the Bohemian Grove." (Page 2). "President Hoover gave chats almost every year from 1932 to his death in 1964." (Page 107) Hoover camped at "Caveman." (Page 118).

IV A 3. DWIGHT EISENHOWER

Dwight Eisenhower was the 34th President from 1953-1961. "It was in a speech at the Grove, for instance, that an army General named Eisenhower had warned of a coming conflict in a place called Korea." Friends in High Places, the Bechtel Story, page 13.

[Appendix 1](#) "Eisenhower gave a premier political address at the Grove in 1950 setting himself on the path to the presidency." (Page 95).

IV A 4. RICHARD NIXON

Richard Nixon was the 37th President from 1969-1974. [Appendix 1](#), page 95: In the summer of 1967, an agreement was struck between Richard Nixon and Ronald Reagan at the Grove: "Nixon and Reagan sat down informally at the Grove in 1967 to work a political deal wherein Reagan was to run only if Nixon "faltered".

[Appendix 2](#) reported in 1989 that he asked Reagan if the story on the agreement with Nixon was true, and that Reagan confirmed the account

Fiona Barnett, who was a survivor of the sexual abuse sustained at the Grove (As featured in the documentary *The Real Eyes Wide Shut*) said, "former President **Richard Nixon** raped me in the back of a US / CIA military plane at Australia's main military airport where Airforce One lands when it visits Australia."

IV A 5. GERALD FORD

Gerald Ford was the 38th President from 1974-1977. [Appendix 1](#), "When Gerald Ford became the heir apparent, as Nixon was faltering, he was invited to his first Grove visit by Leonard Firestone." (Page 117). I suppose that would have been the summer of 1974, as Nixon resigned and Ford was sworn in on August 9, 1974.

Gerald Ford was also one of the first people that Cathy O'Brien reported that she was sexually assaulted by- while she was in the third grade. (85).

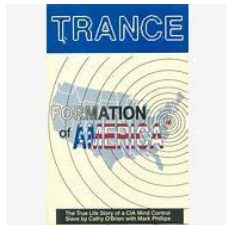

This occurred at the Michigan state capital in Lansing, at the office of Michigan State Senator Guy VanderJagt, who took her to Ford. Based on Cathy's birthday which she reported as December 1957, this rape would have occurred sometime in the mid-1960s. Cathy was raped repeatedly by Ford over the years, including at Bohemian Grove in the "Underground" room. In her books she sometimes uses the term "prostituted to," but it's clear that all of it was against her will.

IV A 6. JIMMY CARTER

Jimmy Carter was the 39th President from 1977-1981. The only information I have on his trip to the Grove is this picture, which came from "the Annals of the Bohemian Club (vol 7), 1987-1996"

IV A 7. RONALD REAGAN

Ronald Reagan was the 40th President from 1981-1989. The meeting where Reagan agreed not to challenge Nixon in the summer of 1967 has already been listed. [Appendix 2](#) - Reagan's longtime camp was Owl's Nest.

Cathy O'Brien reported that she was first taken to Reagan in the fall of 1982 by Senator Robert Byrd, where she was assaulted. O'Brien said that Reagan had already seen pornography videos which she was forced to participate in. These videos were filmed at United States government facilities in Huntsville, AL. ([TRANCE FORMATION OF AMERICA](#), page 126)

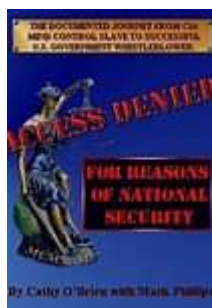

IV A 8. GEORGE HERBERT WALKER BUSH

George Herbert Walker Bush was the 41st President of the United States from 1989-1993. George H. W. Bush was one of the "Bohemians Listed in the 1991 Security Exchange Commission Stock Holding Report" as a holder of stock in Harken Energy Corporation. (From [Appendix 1 - Appendix A](#)).

Sources say George H.W. Bush joined the club in 1973, while chairing the Republican National Committee during the Watergate scandal. Bush camped at the Hillbillies Camp. George H. W. Bush was one of the "Bohemians Listed in the 1991 Security Exchange Commission Stock Holding Report" as a holder of stock in Harken Energy Corporation. ([Appendix 1 -Appendix A](#)).

George H. W. Bush repeatedly raped Cathy O'Brien's young daughter, Kelly, beginning at age 3 and 1/2 years in the fall of 1983, with the knowledge of Ronald Reagan (157-158). Cathy also reported that she saw Bush in the Underground room at Bohemian Grove (170).

IV A 9. BILL CLINTON

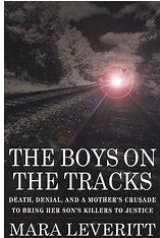

Bill Clinton was the 42nd President from 1993-2000. Cathy O'Brien said she saw Clinton in the Underground room at Bohemian Grove. However, Cathy O'Brien reported that when her daughter was 6 years old, Clinton at least turned down an offer from GWHB. Cathy reported this in her book, *Access Denied*:

"George Bush wanted my daughter to, who was just, she was like six years old, to perform oral sex and he, and Clinton said 'No, you're not going to do that because I know you're filming me, for one,' because they had the films going,

and to say that 'you're not going to blackmail with this particular thing.' The fact is that he turned down the sex with the child."

This was in Lampe, Missouri. O'Brien also said that Clinton turned down a chance to have sex with her and likely had sex with a man named Alex Houston instead (153-154). Cathy also was forced to have sex with Hillary Clinton. (155).

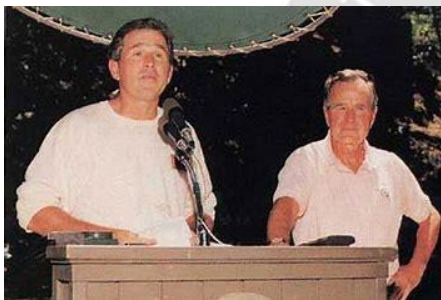

When Cathy's daughter Kelly was 6 years old, this would have been around 1986-1987, when Bush and the CIA were trafficking large quantities of drugs through Arkansas, leading to the murders of Don Henry and Kevin Ives ("The Boys on the Tracks"), which Don's mother Linda is. This is the method I described earlier to compromise politicians- get them early, then

promote them. As if Clinton's numerous problems with adult women and his ties to drugs in Arkansas weren't enough, GHWB tried to get him to do that with a 6-year-old girl.

IV A 10. GEORGE WALKER BUSH

George Bush was the 43rd President from 2001-2009.

"In 1995, House Speaker Newt Gingrich delivered the Lakeside Talk on the middle Saturday of the encampment, and former President Bush had his turn on the final Saturday (*pictured*). He used the occasion to say that his son George W. Bush would make a great president someday."

Bush Jr., as Cathy described him, was at least aware of his father's rapes of the infant Kelly, as he transported Kelly to and from his father, apparently. "George Bush Jr. deposited my obviously traumatized and withdrawn child at the door." (Page 196). "It was also my experience that Jr. stood by his father and covered his backside whenever Bush would become incapacitated from drugs..." (Page 194).

IV B. CORPORATIONS

There are so many you would need a library full of books to cover the attendees that are part of this elite group since its formation.

[Appendix 1](#), referencing Domhoff:(Pages 2-3) *Domhoff presents his case (1974) by examining the structural relationship between Grove participants and the top 797 corporations in the U.S., finding that, "29% of these... corporations were represented by at least one officer or director (p.32)". Domhoff conducted a follow-up analysis in 1983 of Bohemian connections with the top 800 corporations in the U.S. which resulted in similar findings to his earlier work. Of the top 800 corporations in the U.S. in 1980 30% had at least one officer or director at the Grove.*

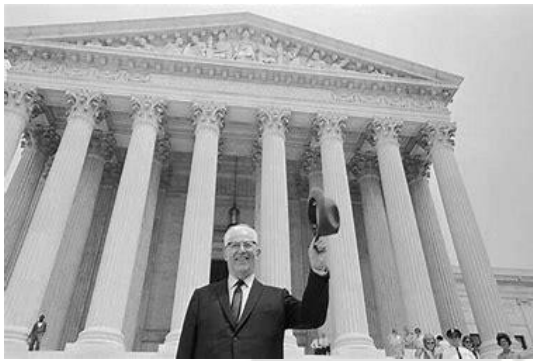

IV C. UNITED STATES SUPREME COURT

IV C 1. THE ENTIRE 1963 SUPREME COURT

Appendix 1:

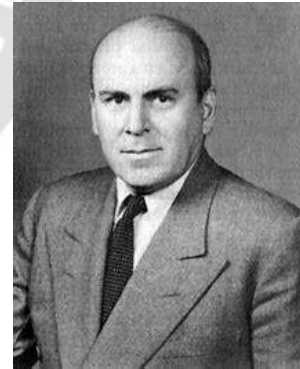

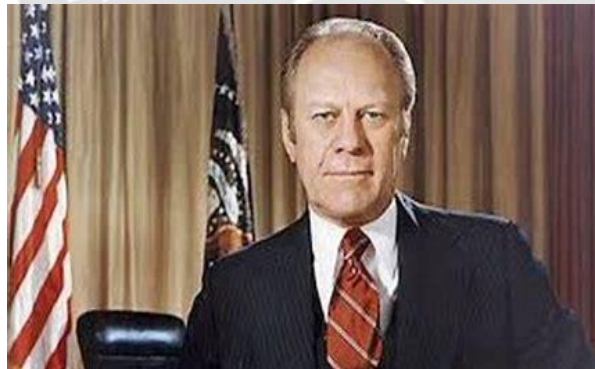

(Page 112) On September 24, 1963 as Chief Justice of the Supreme Court, Warren and the entire U.S. Supreme Court were hosted for a double lamb chops lunch at the Bohemian Club, thereby giving numerous male San Franciscans an opportunity to see and meet the Justices firsthand (Bohemian Archive 1963).

John Fitzgerald Kennedy was assassinated on **November 22, 1963**.

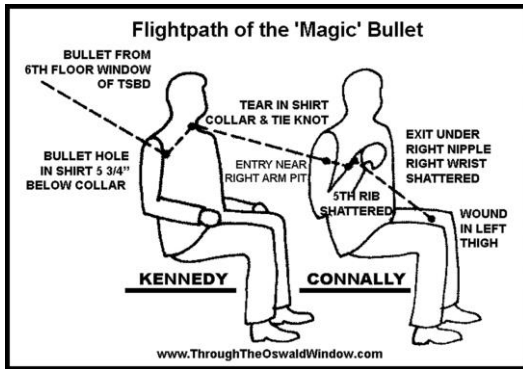

Earl Warren, above, was a longtime Grover. “Earl Warren was a Club member from 1941 to his death in 1974.” [Appendix 1](#), 112). Warren was California’s 30th Governor from 1943-1953. Warren was on the ticket with Dewey against Truman in 1948 and ran for the Republican nomination for President in 1952, which he lost to Eisenhower. After Eisenhower won the White House, he appointed Warren to the Supreme Court in 1953.

Warren led the [Warren Commission](#), which of course was a cover up of the CIA involvement of the JFK assassination -. Included in that commissions were fellow Grovers all complicit in this process:

Allen Dulles, an American who strongly backed Adolph Hitler both before and after World War II, **Gerald Ford** former President and **John J. McCloy** (also at the Pilgrims Society Camp with Allen Dulles) who “did a great deal of work for corporations in Nazi Germany and advised the major German chemical combine [I. G. Farben](#), later notorious for manufacturing [Zyklon B](#).”

Hale Boggs, Democrat-Louisiana was on the Warren Commission, but not at Bohemian Grove. “Boggs dissented from the Warren Commission’s majority who supported the single bullet theory.

“In 1972, while he was still majority leader, the twin-engine airplane in which Boggs was traveling with Congressman Nick Begich, of Alaska, and two others, disappeared while flying from Anchorage to Juneau, Alaska.”

IV C 2. CLARENCE THOMAS (SUPREME COURT JUSTICE)

According to sources:-

‘Kyle’ worked at Bohemian Grove in the summer of 2004 and 2005. He was able to physically confirm what the Bohemian Grove’s own annuals had told us for decades, that the elite of the elite attend the camp. Our source personally saw several high profile members of the US aristocracy, including New Mexico Governor Bill Richardson, Supreme Court Justice Clarence Thomas, the famous newsman Walter Cronkite and countless other luminaries.

IV C 3. ANTONIN SCALIA (SUPREME COURT JUSTICE)

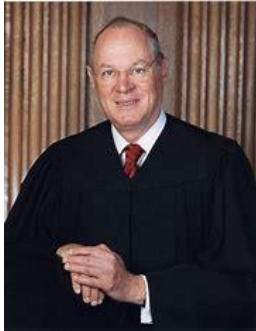

The Sonoma County Free Press reported that Antonin Scalia was to give a Lakeside Chat at the Bohemian Grove on July 25, 1997.

Anton Scalia has another link to Bohemian Grove. Scalia died at Cibolo Creek Ranch on February 13, 2016. The Ranch was owned by **John Poindexter**, former National Security Advisor under President Reagan, and co-conspirator of Oliver North in the “Iran-Contra” scandal. Poindexter is a leader of St. Hubertus, according to the Washington Post.

Two other private planes that landed at the ranch for the weekend are linked to two men who have held leadership positions with the Texas chapter of the Order, according to a review of state business filings and flight records from the airport. The International Order of St. Hubertus, according to its’ website (www.iosh-usa.com) is a “true knightly order in the historical tradition.” In 1695, Count Franz Anton von Sporck founded the society in Bohemia, which is in modern-day Czech Republic.

The society’s U.S. chapter launched in 1966 at the famous Bohemian Club in San Francisco, which is associated with the all-male Bohemian Grove — one of the most well-known secret societies in the country.

IV C 4. ANTHONY KENNEDY (SUPREME COURT JUSTICE)

From the San Francisco Chronicle, July 2018:

*All attention at the Bohemian Club’s annual redwood forest retreat in Sonoma County on Friday was on Camel’s Camp, where retiring Supreme Court Justice **Anthony Kennedy** took centre stage.*

*“There was polite applause, but a lot of people didn’t clap,” said a club insider privy to the exchange. “There was a lot of talk that Kennedy sold out,” allegedly having agreed to retire from the bench in exchange for President Trump’s picking his conservative former law clerk **Brett Kavanaugh** to succeed him.*

IV C 5. WILLIAM TAFT (CHIEF JUSTICE OF THE UNITED STATES SUPREME COURT & FORMER PRESIDENT)

The aforementioned William Taft, Chief Justice of the United States Supreme Court 1921-1930, was also President of the United States from 1909-1913.

IV D. THE CIA

IVD 1. RICHARD NIXON’S COMMENT

Nixon has been widely quoted on May 13, 1971, saying “The Bohemian Grove, which I attend from time to time – it is the most faggy g***** thing you could ever imagine.” That quote is from [Wikipedia](#), and 7 references are listed for that quote. But that quote edits out a remark in the middle of Nixon’s comments where the dash is. Here’s what Nixon actually said:

<https://youtu.be/JN2GS3b8cyU>

“Bohemian Grove, that I attend from time to time, the East Division/the others that come there, but it is the most faggy g***** thing you can ever imagine.” The East Division remark probably refers to the Near East and South Asia Division of the CIA.

IV D 2. CIA DIRECTORS

The CIA was created by the National Security Act of Congress in 1947, and it looks like most of the Directors came to the Grove at some point.

[Appendix 3](#) members of Bohemian Grove.

John McCone (1961-1965).

George Herbert Walker Bush (1976-1977)

William Casey (1981-1987)

William Webster (1987-1991)

James Woolsey (1993-1995)

Another that has been there:

Richard Helms (1966-1973) Sources say Richard Helms ordered all files on MK Ultra and other human experiments destroyed in 1973 (Ref. Newsweek 15 Aug 2018).

IV D 3. ALLEN DULLES

Presidents Bush, Ford, and Reagan were all paedophiles or rapists who preyed on victims in the CIA's MK-Ultra program under the subcategory Project Monarch according to O'Brian's testimony. The involvement of Allen Dulles (and Prescott Bush) with Adolf Hitler both before and after he came to power, and even during World War II, provided a "missing link".

Project Monarch, an undisclosed subcategory of MK Ultra, has its roots in Heinrich Himmler's genetic experiments in Nazi Germany. Allen Dulles helped bring Hitler to power in Germany in 1933. Allen Dulles became Director of the CIA on February 26, 1953. The CIA officially began MK Ultra on April 13, 1953.

V. ACCOUNTS FROM SEX SLAVES AT BOHEMIAN GROVE

V A. SACRIFICE/MURDER OF SEX SLAVES AS REPORTED BY CATHY O'BRIEN

Page 170: My purpose at the Grove was sexual in nature, and therefore my perceptions were limited to a sex slave's viewpoint. As an effective means of control to ensure undetected proliferation of their perverse indulgence, slaves such as myself were subjected to ritualistic trauma. I knew each breath I took could be my last, as the threat of death lurked in every shadow. Slaves of advancing age or with failing programming were sacrificially murdered "at random" in the wooded grounds of Bohemian Grove, and I felt it was "simply a matter of time until it would be me." Rituals were held at a giant concrete owl monument on the banks of, ironically enough, the Russian (rushin') River. These occultist sex rituals stemmed from the scientific belief that mind controlled slaves required severe trauma to ensure compartmentalization of the memory, and not from any spiritual motivation. My own threat of death was instilled when I witnessed the sacrificial death of a young, dark-haired victim at which time I was instructed to perform sexually "as though my life depended upon it." I was told, "...the next sacrifice victim could be you. Anytime when you least expect it, the owl will consume you. Prepare yourself and stay prepared." Being "prepared" equated to being totally suggestible, i.e. "on my toes" awaiting their command.

V B. SACRIFICE/MURDER OF SEX SLAVES AND HUNTING OF CHILDREN DRESSED AS TEDDY BEARS AS REPORTED BY FIONA BARNETT

WordPress blog by Cathy Fox, quoting a statement of Fiona Barnett:

*After this, I was child sex trafficked from Sydney airport to California, USA, in a cargo plane. I was gassed and stuffed in a wooden crate like an animal. During this trip, I was raped by media founder **Ted Turner** at a paedophile party held at Disneyland, and I was trafficked to the annual summer camp at **Bohemian Grove** attended by notable politicians, businessmen and other VIPs. I was raped by Reverend **Billy Graham** in a pink bubble themed cabin at Bohemian Grove. Billy Graham told me his good buddy Richard Nixon had recommended me to him. At Bohemian Grove, I was one of a group of children dressed as teddy bears and hunted for sport by men in the forest, to the theme song "Teddy Bears Picnic". I also witnessed the ritual murder of a woman by male guests dressed in black Luciferian robes.*

If you read the rest of that link, you'll see that Fiona reported a similar background to Cathy O'Brien in that she was abused by her family from an early age and turned over to this network, or program. Cathy was also hunted- by Dick Cheney. He called it "A Most Dangerous Game." This occurred in Greybull, Wyoming, where he violently raped her and threatened to kill her (page 99), and Mount Shasta, California, on government property (page 194). When Cheney "captured" O'Brien in a fenced area at Mount Shasta, he raped her with his dog, which had been trained for this purpose in the MK Ultra program.

V C. SACRIFICE/MURDER OF SEX SLAVES, CANNIBALISM AND "SNUFF" FILM AS REPORTED BY PAUL BONACCI

Yeadon and Hawkins in *The Nazi Hydra in America*:

*Page 564: ...(Paul) Bonacci told investigators of being taken to **Bohemian Grove** where he and two boys were forced to perform acts on each other. After one of the boys was murdered, they were forced to eat parts of him. A snuff pornography film was made of the events. At the time, Bonacci was too young to realize he was at Bohemian Grove; however, from his description of the surroundings, the location is unmistakable.*

Bonacci suffers from multiple personality disorder induced by MONARCH programming. He told investigators the ring, which plunged him into Satanism, was centred at Offutt air base. He was first abused at Offutt when he was 3 years old. He described his MONARCH programming as a series of tortures, heavy drugging and sexual abuse. He also said he was trained in military arts, including assassination. In fact, his knowledge in these realms cannot be accounted for by any other means. Bonacci and others have given evidence of the central role Lt. Col. Michael Aquino played in the programming.

V D. PROJECT MONARCH

Project Monarch took victims of multi-generational incest abuse into the program. This ran in Cathy's family. Cathy's father was caught sending bestiality/child pornography of her through the U.S. mail and was offered immunity from prosecution in return for giving his child to the program. Incest/abuse at an early age creates "trauma" in the victims. Once called "multiple personality disorder," it is now referred to as Dissociative Identity Disorder. The brain tries to work around this trauma, resulting in some nonstandard brain activity patterns. The CIA heightened this trauma through horrible methods such as electroshock, sexual torture, LSD, sensory deprivation, etc.

One of the results of this trauma is a heightened ability for memorization. Another result is the ability to put memory into a “compartment” of the human mind, or a “personality” after the mind splits or “dissociates.” This made Cathy useful as a “carrier pigeon.” Her mind was dissociated, and she was made to memorize messages into a personality or compartment which could be activated by her handler later, at which point she could repeat the message.

So Reagan/Bush used Cathy to deliver messages to world leaders, such as a plan she delivered to Mexico’s President, Miguel de la Madrid. The plan involved trafficking drugs across the US/Mexico border at Juarez, Mexico. (Pages 201-202). The deal was Mexico just needed to get it to the border and the U.S. would take it from there.

VI. SUPPORTING EVIDENCE OF THE WITNESS STATEMENTS ON HUMAN SACRIFICE, CANNIBALISM, AND HUNTING OF CHILDREN AT BOHEMIAN GROVE

VI A. LIEUTENANT COLONEL MICHAEL AQUINO AND THE TEMPLE OF SET

To begin with, despite the lie on Cathy O’Brien’s Wikipedia page, that “According to scholars, there is no credible evidence for O’Brien’s claims,” she provided a great deal of verifiable evidence. For instance, on Lt. Col Michael Aquino’s role in her “training”: “In the early 1980s, my base programming was instilled at Fort Campbell, Kentucky by U.S. Army Lt. Colonel Michael Aquino. Aquino holds a TOP SECRET clearance in the Defence Intelligence Agency’s Psychological Warfare Division (PSYOPS). He is a professed Neo-Nazi, the founder of the Himmler-inspired satanic Temple of Set and has been charged with child ritual and sexual abuse at the Presidio Day Care in San Francisco, California.” (*TRANCE*, Page 110)

[Wikipedia](#) says “Born in 1946, Michael Aquino was a military intelligence officer specializing in psychological warfare. In 1969 he joined Anton LaVey’s Church of Satan and rose rapidly through the group’s ranks.”

Although the evidence was overwhelming, Aquino was never charged with child abuse. On April 19, 1988, U.S. Attorney Joseph Russoniello dropped the 10-count indictment against Hambright on the grounds that there was insufficient evidence linking him or the Aquinos to the crimes. Russoniello later was implicated in efforts to cover up the links between the Nicaraguan Contras and South American cocaine trafficking.

VI B. “THE FINDERS”

Showed that the CIA was interested in the cause and effect clinical findings that occult religious practices have on the Black Arts practitioner and/or the observer's mind. Of particular interest to the CIA were the heightened levels of suggestibility that certain occult rituals produced in the minds of the practitioners. Cannibalism and blood rituals were ranked highest in the order of importance to their research.

VII. BLACKMAIL ROOMS AT BOHEMIAN GROVE

This account comes from Cathy O'Brien.

Pages 169-171.

Among these internationally scandalous tapes are numerous videos covertly produced at the supposedly secure political sex playground in northern California, Bohemian Grove. According to Houston, Dante's high tech undetectable cameras used fibre optics, and fisheye lens were in each of the club's numerous sexual perversion theme rooms. My knowledge of these cameras was due to the strategically compromising positions of the political perpetrators I was prostituted to in the various kinky theme rooms.

I was programmed and equipped to function in all rooms at Bohemian Grove in order to compromise specific government targets according to their personal perversions...

The only room where business discussions were permitted was the small, dark lounge affectionately and appropriately referred to as the Underground. (Footnote: The wooden sign was carved to read: U.N.DERGROUN).

Sex slaves were not routinely permitted in the Underground for security reasons, leaving the lounge's small stage as the only source of "entertainment." This entertainment ranged from would-be talents such as Lee Atwater, Bill Clinton, and George Bush to CIA Operative entertainers such as BoxCar Willie and Lee Greenwood. On one occasion I was instructed to meet with former President Gerald Ford in the Underground where Lee Atwater was picking and singing. As I walked through the smoke filled room to Ford's table, Atwater interrupted his song to cryptically acknowledge my unwelcome presence by singing choruses of "Over the Rainbow" and Byrd's song for me "Country Roads" while emphasizing the lines of "Almost heaven, West Virginia." ...

The club offered a "Necrophilia" them room to its members. I was so heavily drugged and programmed when used in the "necrophilia" room, that the threat of actually "slipping through death's door" and being sacrificed "before I knew it" did not affect me. My whole existence was balanced precariously on the edge of death as a matter of routine anyway. My robotic state did not permit me the "luxury" of self-preservation, and I could only do exactly what I was told to do. My necrophilia room experience was only for the purpose of providing Dante a compromising film of a targeted member anyway.

Other perversion theme rooms at the Bohemian Club included what I heard Ford refer to as the "Dark Room." When he not so cleverly said, "Let's go to the Dark Room and see what develops," I understood from experience that he was interested in indulging in his perverse obsession for pornography. In the Dark Room, members had sex with the same mind controlled slave they were viewing in porn on a big screen television.

There was a triangularly glass display centred in a main through where I was locked in with various trained animals, including snakes. Members walking by watched elicit sex acts of bestiality, women with women, mother with daughters, kids with kids, or any other unlimited perverse visual display. I was once brutally assaulted by Dick Cheney in the Leather Room, which was designed like a dark, black leather-lined rain berth. As I crawled through the leather flaps covering the narrow entrance, I heard Cheney play on the word "berth/birth" as the soft blackness engulfed me. With the small opening covered, the blinding darkness enhanced the sense of touch and provided an option of anonymity. Cheney jokingly claimed that I "blew his cover" when I recognized his all-too familiar voice and abnormally large penis size.

There was a room of shackles and tortures, black lights and strobes, and opium den, ritualistic sex altars, a chapel, group orgy rooms including poster beds, water beds, and "kitten" houses. I was used as a "rag doll" in the "toy store," and as a urinal in the "golden arches" room.
