The Honourable P.W. Botha - Prime Minister

Dear Mr. Prime Minister,

Please excuse the delay in my writing to you on behalf of my brother Ronnie, my associate Lucien Levy and myself.

Our apparent disrespect is in no way a reflection of our gratitude for a very wonderful evening which we spent with you, charming members of your family and other guests. It was certainly a night we shall remember for many years to come.

We would like to take the opportunity of paying a special tribute to you for your outstanding leadership of this country which we hold so dear and to wish you continuing success with the very dramatic part that you have now undertaken to ensure a better future for all sectors of the population.

It is men with such high ideals and determination like yourself that create history and I am delighted to have the privilege of being able in a very small way to assist and support you in your endeavours.

With our very warmest and best regards,

Yours sincerely,

B. LUBNER  
EXECUTIVE CHAIRMAN
